

Intoxilyzer Operator

This State Approved Breath Test Operator School is open to law enforcement employees across the state of Texas.

In addition to receiving state certification as a breath test operator, students who successfully complete this course of instruction may be eligible to apply for TCOLE credit.

This 20-hour course instructs in the correct procedures for operation of an Intoxilyzer instrument, and includes a study of associated DWI laws.

This course is open only to members of Law Enforcement. Participants must include agency of employment when registering for class.
